Atelier Lou has a team of certified appraisers to give you a professional opinion of the authenticity, quality, and value of your jewellery. This is done in accordance with the AAP Code of Ethics and Standards as well as the Jewellery Appraisal Guidelines – Minimum Acceptable Standards published by the Canadian Jewellers Association (CJA) and Jewellers Vigilance Canada (JVC).

Aside from building trust and relationships with our clients, being able to create the special, unique piece of jewellery that someone has always dreamed of having is Atelier Lou's driving purpose.

Tell us about yourself and how Atelier Lou can help make your jewellery dreams come true. We would love to know more about you.
