GALERIE NOEL GUYOMARC'H BIJOUX ET OBJETS CONTEMPORAINS

Galerie Noel Guyomarc'h encourages visitors to take a fresh look jewels. Much more than a simple decorative object, the creation of a piece of jewelry is the result of a research that focuses on both form and content. Like any authentic work of art, a jewel can therefore move us, seduce us, make us think or disturb us. Bold and committed, the works of our creators bear witness to the diversity of languages and ideas that characterize today's production. info@galerienoelguyomarch.com
