

Everything for Halloween,
from decorating to costumes

Description

Alexis Nihon invites you to celebrate Halloween with The Ghost Masquerade!, a dreadfully fun rally

Do you remember the scare we had last year when Halloween activities were threatened because of Mother Nature? And now, this year again, we're scared but for a completely different reason. Will the traditional candy collection in the neighbourhood take place on October 31st?

Halloween frenzy can come alive,
with or without trick-or-treating

Although we don't know the answer to this question for now, we can predict one thing: Halloween will indeed take place, even if we are suggesting that you celebrate it a little differently! **Alexis Nihon** and **Cominar** are offering [a printable rally to do at home](#) with your little monsters so that the Halloween frenzy can come alive, with or without trick-or-treating. The rally will be available for download on the [Ghost Masquerade! event page](#) and at Alexis Nihon's customer service as of October 16th.

We thought we would offer you this alternative solution to keep the Halloween frenzy going this year! Join the [Ghost Masquerade!](#) event for all the information on this free activity!

IGA has candies for you!

We won't tell each other fears, Halloween without treats is not the same! So IGA had the monstrous generosity to prepare bags of treats that you can give to your children at the end of the rally!
