

The Finer Cookie: Star Anise Espresso Macarons

Description

By **Kimberlie Robert**

Anise & Espresso Macaron with Pear, Cinnamon and Lentil Jelly combines the elegant flavours and sophistication the macaron deserves. The crispy meringue, creamy coffee and spice flavours turn this perennial favourite into something remarkably impressive. The roasted brown lentils sprinkled inside add a light crispy chew and simple earthy tone to the macaron. Macarons are a perfect Valentine's Day celebration — they beg to be eaten in pairs.
