

The Films of Our Life at Théâtre Outremont

Description

Roland Smith and 20 personalities present their favourite films

A Woman Under the Influence

From August 2 through September 2, a celebration of film will take place at Théâtre Outremont in collaboration with **Roland Smith**, former Théâtre Outremont owner and current film distributor. Forty favourite films of twenty personalities from the world of communications in Quebec will be shown during **Les films de notre vie / The Films of Our Life**, a sequel to *Les films de ma vie / The Films of My Life*, which welcomed thousands of enthusiastic film lovers last year.

City Lights

The Films of Our Life, whose spokesperson is **Rock Demers**, will be showing films rarely seen on the big screen today. Most of the 20 personalities who have selected the films will introduce them before the screening. *The Films of Our Life* gathers well-known classics with significant yet lesser-known films that organizers hope to introduce to new audiences.

These are popular films with great artistic value... rare jewels, masterpieces by major auteurs... which means quality is guaranteed.
